

The Holme Church of England Primary School

The children were welcomed back to school with the added excitement of being able to try out the new gym equipment located in the school field. Thank you to the excellent FROTH team who organised the installation, and to everyone involved in raising and donating money for such an excellent resource for the children.

FROTH also organised the cream tea, enjoyed by families, especially grandparents, who were able to listen to beautiful singing by the choir whilst drinking tea and eating delicious freshly baked scones.

Garden Club has begun again this term with the children, sowing seeds, preparing the beds for planting, pressing flowers, and working towards their RHS School Gardening Scheme Level 1. A huge thank you to the Headley Horticultural Society, the PCC, and to members of the community for their generous donations to the garden club who have now been able to purchase bags of compost and a pop up greenhouse.

Year 5 have been learning tennis skills in PE whilst Year 6 has been a busy month for year 6 who have been taking their SATS test.
