THE HOLME CHURCH OF ENGLAND PRIMARY SCHOOL

As we move steadily towards our first half-term break, it is hard to believe just how much has already been achieved since the beginning of the academic year. School life remains as busy and vibrant as ever, with children, staff and families embracing the many opportunities that each new day brings.

We have a number of exciting projects well underway across the school. Most notably, work has now begun on the refurbishment of our nursery provision, with ground being broken in recent weeks. This significant investment, made possible through the valued support of East Hampshire District Council, will help us create an even better learning environment for our youngest children and families. We are excited to see the project take shape over the coming months and the positive difference it will make for future generations of children.

Alongside this, we are continuing to invest in our staff team and are currently recruiting for several new roles within the school. The quality, care and commitment of our staff are at the heart of everything we do, and we look forward to welcoming new colleagues who share our ambition for every child to flourish and succeed.

There is certainly much to celebrate and much to be proud of. Every day we see children demonstrating kindness, determination, curiosity and resilience in their learning and relationships. Their enthusiasm reminds us why our work is so important and why children remain at the centre of every decision we make.

This year we have also renewed our focus on providing wider opportunities beyond the classroom. Whether through enrichment activities, sporting events, creative experiences, community projects or leadership opportunities, we want every child to develop confidence, discover new talents and create lasting memories during their time with us.

As always, we value the support and encouragement of our wider community. If you have ideas, expertise or opportunities that could help enrich the experiences of our children, we would be delighted to hear from you.

Campbell McArthur, Headteacher
