

THE HOLME CHURCH OF ENGLAND PRIMARY SCHOOL

Year R children have settled well into their new experience of going to school every day. They had a great time with a visit from the Police as part of their super heroes topic and the children were very engaged and had lots of questions to ask them. Year 1 have been learning about Chinese New Year celebrations in the year of the Snake. They have been learning how to draw Chinese Dragons and will be using 'secondary colours' to paint them as well as learning about another culture.

A recent initiative at the school was everyone coming to school wearing a scarf! This celebrated thinking positively about themselves and recognizing that everyone is different. Other activities included making and decorating people-shaped biscuits. Year 6 children developed the theme by focusing on feelings and how positive comments about someone else can really make them happy. Something we should all think about focusing on.

With half term just around the corner the children will be looking forward to a short break before heading back to school and lighter mornings when hopefully there will be more Spring-like weather for playtime.

Last Year the School Garden Club was very successful with pupils really enjoying the outdoor activities and planning and growing vegetables and plants. The summer term ended with a Garden Party with cake and certificates and a prize for the most improved gardener. It was planned that the Club would start again this year, however after much discussion it will not be possible to continue at this time. It is hoped that this will be looked at again in the future. We would like to thank the Headley Horticulture Society and All Saints Church for their contributions to making the club thrive last year.
