

As we move towards the close of another busy and rewarding academic year, we would like to extend our heartfelt thanks to the community for your continued support. Your involvement makes a real and lasting difference to the life of the school.

This term has been filled with energy, creativity, and achievement. Our pupils have embraced their learning with enthusiasm, and it has been a joy to see their confidence grow, both inside and outside the classroom. We are particularly grateful for the way the wider community has supported recent initiatives, enriching the experience we are able to offer our children. Looking ahead, the summer term promises to be just as vibrant. There is a great deal planned over the coming weeks, including sports day, end-of year performances, and a range of enrichment activities designed to celebrate the talents and hard work of our pupils. We are especially looking forward to welcoming families and members of the community to join us at these events – such an important part of our school's ethos.

At the same time, we are already turning our attention to September. Preparation for the new academic year is well underway, with staff working collaboratively to plan an engaging curriculum and ensure a smooth transition for all pupils, particularly those who will be joining us for the first time. Supporting children through periods of change is a priority for us, and we are committed to making sure that every child feels safe, valued, and ready to succeed.

We are also continuing to develop our school environment and provision, with a focus on creating opportunities that nurture not only academic success but also personal growth, resilience, and a strong sense of community. The partnership between school, home, and Community is central to this. As ever, we remain deeply appreciative of the role the parish plays in the life of Holme School. Your encouragement and generosity help us to provide the very best for our pupils, and we look forward to strengthening these connections further in the months ahead.

We wish you all a happy and restful summer, and thank you once again for walking alongside us in the journey of our school.

*Campbell McArthur, Headteacher*
